### Notes:

- Welcome to our first ELAC meeting
- What is ELAC? Each CA school that has 21 or more EL must form an ELAC meeting. We assist in the development of schoolwide needs assessment.
- We have an open officer available. Attend ELAC meetings, in collaboration with teachers, parents, other EL students. More for parents.
- Currently have 48 EL. We have an EL tracker. Includes reading scores from NWEA, and other assessments to form an IELDP. To provide support in anything you need. These IELDPs are annually revised to provide better support.
- Nwea Testing, a mandated state test to determine English proficiency. Usually around february, there is no opt out.
- ELPAC score breaks it down in 3 scores, reading, writing, and speaking. How do we prepare our EL students for ELPAC. We provide curriculum for students, each one covers an ELPAC domain. One for reading, one for Writing, ect. We will do them in a small group with Mr Manuel.
- How do we get reclassified? A student who was an EL but no longer needs support. We take into account NWEA score, 5 English Credits, and overall ELPAC score of 4. Stay engaged, involved, and informed.
- No students/parents had questions.
- .Do you think there's any way we can better support you to become more proficient in any kind of way? No comments.
- Next meeting will be 12/01/21 Verenice asked what if we're unable to attend the meetings? Nothing will happen, our goal is to help you graduate before then.
- We have 2 students this meeting, and our goal for the next meeting is for maybe 3 students.
- Leodore Joined at 4:28. Joined late because his computer died, he barely found his charger. Mrs Sanchez will set up an appointment to go over ELPAC info at a later date.
